HOMESLICE

HOMESLICE: [noun]

1. A close friend from the neighborhood.
2. A very close friend whom you have known for a long time.

“What up homeslice!”

When our family migrated to the north bay in 1998 to join our extended family, we settled in Rincon Valley.

We grew up here, and now our children are growing up here.

These are our stomping grounds.

This is our community.

For over 23 years, our family has trekked the 5 miles every day to run our favorite downtown bar.

There, we participated in the mutual exchange of community and cultivated a long-standing neighborhood bar and grill.

But our home has always been in Rincon Valley, and it's time to bring that sense of camaraderie to our corner of Santa Rosa.

We pride ourselves in providing a quality product, but more importantly we aim to grow a friendly and familiar atmosphere.

Cheers to our neighborhood,
Rincon Valley.
